

Campden

- The Campden is a solid cast aluminium base and top with welded extruded bars. It will house a variety of optics to make this a strong and practical street light option.
- A retro look lantern with various applications
- Design has been updated to accept reflector optic to improve on the original fluorescent versions
- Optics / reflectors reduce light pollution and skyglow
- Ease of maintenance with no-tool access and 1/4 turn sealed lamp holder design
- IP54 rated (IP65 special order)
