

Mercia

- The Mercia is a replica of the Victorian Police Lantern which first appeared in London in the late 1800's. The Blue Lamp as it was known was mounted on the Police stations to identify it as a place of safe refuge and help.
- The Mercia can be supplied with the crown (as shown) or with a plain finial. The cast frieze is also an option.
- Police Lantern derivative of the Traditional Gas lamp
- Various mounting options
- 1/4 turn lampholder
- No tool lamp change

Technical info

Materials	Body: Copper, Brass or Stainless Steel Glazing: Double UV Stable polycarbonate or Acrylic
