

Toorak

- The Toorak is a very substantial lantern first made for export to the Australian market. Functional in design, the Toorak is available in top, side or post top mounted versions and is suitable for a wide range of applications. The Toorak Major is also available with a teardrop glazing bowl.
- Modern derivative of the Heritage station lantern
- Classic brim
- Amenity and Street lighting applications
- IP65 optical compartment
- IP44 gear compartment
- Ease of maintenance
- Tool free lamp change
